

HUM>Nrights - 75 years of human rights

Movie-Project from Soroptimist Club Leer-Papenburg

Inspired by the HUMAN composition, Soroptimists from the Leer-Papenburg club, working together with many people from the region, started to film 11 of the 13 HUMAN themes.

The result is an extraordinary, socio-cultural cinema film involving around 200 people from theatre, dance and human rights groups, school classes, church parishes, associations, aid organisations and a retirement home. The HUMAN topics of birth, basic needs, freedom, equality, fraternity, love, home, protection, work, recreation, creativity, community and death are each „staged“ with their own approaches.

The Soroptimist Leer-Papenburg Club independently took on the conception, organisation and financing for the film.

The German-language film can be shown very well in cinemas and also in educational contexts. It can be rented as a Blu-Ray disc for a fee by the club.
